MEMORANDUM FOR: [REDACTED]
 ATTENTION : [REDACTED]
 SUBJECT : [REDACTED]
 25X1X4

1. Because of the heavy bookings westward from Europe at the end of the tourist season, we must make reservations very early in the year. Audrey and I are scheduled to return on the Constitution sailing from Cannes on 31 August 1958, arriving New York 8 September 1958. I hope this meets with your approval.

2. The Satellite program now requires much less time per revision, but the execution is more complex. For that reason, it would be to the benefit of all concerned if my replacement were here by 22 July 1958. Despite the disturbances of settling in, he and I could then proceed through the entire operation from editing to publication of the Rumanian Questionnaire.

25X1X4 [REDACTED] report for the month of December 1957.
